A large, clear crystal trophy. The base is a thick, square-cut crystal block with a blue circular band around its center. On top of this base is a tall, rectangular crystal column. Inside this column is a white, etched or carved figure of a golfer in mid-swing. The column is capped with a smaller, dark blue circular band. Atop this band sits a large, spherical crystal ball with a complex, textured surface of many small, raised, circular patterns.
